

COLORADO

Department of Human Services

Colorado Communications Technology Program (CTP)

a program of the Colorado Commission for the Deaf, Hard of Hearing, and DeafBlind (CCDHHDB)

Application for Home Phone Equipment

This is an application for qualified citizens to receive telecommunications equipment. **Please make sure all of this information is completed before you send your application.** Send copies of your documents. *Do not send originals.*

COMPLETE THE FOLLOWING ITEMS:

- Proof of Colorado Residency – provide a copy of your valid driver’s license or state ID card.
- Proof of Phone Service – provide a copy of your home or cell telephone bill (**first page of bill or downloaded copy**). If the name on the bill is not the same as the applicant’s name, please include a note explaining shared service.
- Proof of Annual Gross Income – provide the front page of your federal income tax return or a copy of your social security award letter, as an example. In order to qualify, the applicant's income must be less than 300% of the Federal poverty guidelines based on family size as indicated by the United States Department of Health and Human Services (page 8).
- Applicant’s signature – sign Part I of the application.
- Certifier’s signature – make sure the original signature of the certifier is in Part II.
- Equipment selection – make sure Part III is completed.

Please fill out this application and fax, scan and e-mail or mail it with the required support documents to:

JoAnne Hirsch, Communications Technology Program Manager

Colorado Commission for the Deaf, Hard of Hearing, and DeafBlind

1575 Sherman St., Garden Level

Denver, CO 80203

Voice: 303-866-2097 VP: 720-949-7457 Fax: 303-866-4831 E-mail: joanne.hirsch@state.co.us

PART I: APPLICANT'S INFORMATION

Applicant's name (First, Middle, Last) _____

Address _____

(Provide physical address of where you live, not P.O. Box.)

City _____ **County:** _____ **State:** CO **Zip:** _____

Telephone number: _____ Voice VP Other

E-mail address: _____

Date of Birth: _____

Gender: Male Female

I learned about TEDP from: _____

Do you currently have: Amplified Phone Captioned Phone

Annual household income - count the number of people in your home and total everyone's annual income:

- 1 person \$ _____
- 2 persons \$ _____

Signature of Certifier

Date

This program is funded by the Colorado Commission for the Deaf, Hard of Hearing, and DeafBlind (CCDHHDB) through the Colorado General Assembly enactment of House Bill 2002-1180 that amended C.R.S. Chapter 216, Article 26.21.106. Monies that are collected as a surcharge on each residential phone line in the state of Colorado by the Public Utilities Commission are distributed from the Disabled Telephone Users Fund.

~~~~~  
*Please Type or Print (except for signatures) in blue or black ink.*

**PART III: EQUIPMENT SELECTION** (must choose one communications equipment)

**Step 1:** Choose **one** communications equipment

**Amplified** Telephones:

Corded:

- Clarity Alto
- Clarity Alto Plus (with Caller ID)
- Geemarc Ampli550
- Geemarc BDP400 (low vision with Caller ID)
- Clarity JV-35 (low vision)
- Amplicom PowerTel 780 (corded and cordless)

Cordless:

- Panasonic KX-TGM450S (with extra handset)
- Clarity XLC2
- Clarity XLC3.4+ (with Caller ID)
- Clarity XLC3.4+ Combo (Caller ID plus extra Handset)

**Bluetooth-Enabled** Amplified Telephones (**for households with Bluetooth-enabled cell phone service and/or home phone line**):

- Clarity BT914 (cordless)
- Serene HD-70 (corded)
- Panasonic KX-TGM430 (cordless with extra handset)

**Captioned** Telephones:

- CapTel 840 ♦ *requires standard analog telephone line(s) (landline)*
- CapTel 840i ♦ *requires telephone service and high-speed Internet access*
- CapTel 2400i ♦ *requires telephone service and high-speed Internet access (touch screen)*
- CapTel 880i for low vision ♦ *requires telephone service and high-speed Internet access*

**Step 2:** Choose **one optional** ring signaler (accessory) (cannot be ordered as a standalone)

- Sonic Alert SA 201
- Sonic Blink BL 300
- Clear Sounds CR200 Loud Ringer and Light Strobe
- Serene CA-CX and BS-100 (*works with home phone and/or cell phone; includes bed shaker*)
- Amplicom PT601 (*wireless wrist receiver only available with **Amplicom** 720*)

**Step 3:** Choose **one optional** Amplified Headphone or Neck Loop (accessory) (cannot be ordered as a standalone)

- Clearsounds CS-HD500 Headset
- Clearsounds CS-CLA7V2 (Neck Loop with microphone for T-Coil hearing aids)

**Step 4:** **Optional** Answering Machine (cannot be ordered as a standalone)

- Amplicom AB900

- Calls initiated will be captioned
- When receiving a call, your caller must dial a toll-free number first and then enter your number

### CAPTEL 840i

- Requires phone service AND high-speed internet
- All calls made and received will be captioned

### CAPTEL 880i, LOW VISION

- Requires phone service AND high-speed internet
- 10-inch caption window

### CAPTEL 2400i

- Touchscreen
- Requires phone service AND high-speed internet
- Speakerphone

## RING SIGNALER ACCESSORIES

### LIGHT SIGNALERS

#### SONIC ALERT SA201

Alerts you by flashing any lamp that is plugged into its Plug-outlet.

#### SONIC BLINK BL300

This built-in high intensity strobe light projects 360° when flashing to eliminate blind spots. It's perfect for places where a lamp is normally not used.

*Included Sonic Ring Elite TR75VR (transmitter).*

#### SERENE CA-CX, BS-100

For home phone and/or wireless device. Includes bed shaker.

### SOUND SIGNALER

#### CLEAROUNDS CS-CR200 LOUD RINGER

This Loud Ringer and Flasher alerts you that your telephone is ringing with a super loud adjustable volume.

### VIBRATING SIGNALER

#### AMPLICOM PT601

This wireless wrist receiver works ONLY with the Amplicom PowerTel 780. It vibrates when there's an incoming call, answers phone in speakerphone mode at a press of a button, includes an emergency button to dial certain numbers and splash (water) proof.

## AMPLIFIED ACCESSORIES

#### CLEAROUNDS CS-HD500 HEADSET

- Two Ear Piece Headphone
- Microphone included

#### CLEAROUNDS CS-CLA7V2

- Transforms sound emitted from phone to hearing aids set at T-Coil position
- Microphone included

## ANSWERING MACHINE

#### AMPLICOM AB900

- Amplifies up to 40dB
- Tone Control
- Speed Control (slows speech)

# Low Income Guidelines for Colorado Residents

To qualify and receive telecommunication equipment, the applicant's income must be less than 300% of the Federal Poverty Level (FPL) Guidelines based on family size as indicated by the United States Department of Health and Human Services.

Below is the 300% FPL for Colorado:

| Persons in Family                       | Colorado  |
|-----------------------------------------|-----------|
| 1                                       | \$36,420  |
| 2                                       | \$49,380  |
| 3                                       | \$62,340  |
| 4                                       | \$75,300  |
| 5                                       | \$88,260  |
| 6                                       | \$101,220 |
| 7                                       | \$114,180 |
| 8                                       | \$127,140 |
| Families with more than 8 persons, add: | \$12,960  |
